Stage I Evacuation Notice Issued On Rombo Mountain Fire

The Ravalli County Sheriff's office has issued a Stage 1 precautionary evacuation notice for fire protection zones 11 and 12, from just south of the Painted Rocks State Park campground north to the Beavertail Road along West Fork Road.

This is a precautionary step; however, because conditions can change quickly, residents should plan and prepare for an evacuation should the need to evacuate arise. Ravalli County Sheriff's deputies and volunteer firefighters from the Painted Rocks Volunteer Fire Department have been making house-to-house visits to notify and talk to residents.
